**TEACHER OF MATHEMATICS
(MPS Outer London)**

Required for September 2018

We are looking for a qualified and motivated Teacher of Mathematics to join our large and successful Mathematics Faculty in this high performing Church of England Academy within the Veritas Educational Trust.

A National Teaching School and SCITT, Bishop Ramsey Church of England School is a heavily oversubscribed 11-18 Anglican mixed Academy, with high academic standards as well as a tradition of pastoral care. We were recognised as “outstanding” by Ofsted in 2006 in all categories and were also judged “outstanding” in all categories in our SIAS Inspection in March 2013. We were also awarded the World Class Schools Quality Mark in 2015, one of only 43 schools in the country to have received this award. We have excellent facilities and a strong record of academic success across all subjects and Key Stages: 52% A*-B grades at A level, 33% A*-A (9-7) grades at GCSE over the past four years. Progress between KS2 and KS4 is also strong (P8 + 0.17 in 2017, +0.38 in 2016).

This post would suit an NQT looking to start their career in a high performing school or an experienced professional.

For further details and an application form, please visit the staff zone of our website or telephone: 01895 671051. Completed applications can be posted or delivered to the school or e-mailed to: ltreadaway.312@lqfmail.org

**Closing Date for applications: 12.00 noon on Monday 22nd January 2018
Interviews will be held during the week commencing Monday 29th January 2018**

The Veritas Educational Trust is committed to safeguarding and promoting the welfare of children and young people. The successful applicant will be required to undergo an enhanced DBS check.
