13th February 2014

Dear Parent/Carer

**Changes to Science Examination Tiers for Summer 2014**

There have been a number of changes made to the tiers of entry for GCSE Science examinations due to a closer inspection of the mock exam results, together with your child's current performance. Your child may have been affected by this. These changes have been made to ensure that your child will be given the maximum opportunity to succeed in the Science exams which will be sat in the summer.

The school will not be issuing new statements of entry to reflect these changes. However, these changes will be available for you to view through Parent Portal. Please ensure that you have looked at these with your child so that you are both informed of the tiers of entry for each Science examination which will be sat.

Yours faithfully

**Mrs A Dhir**  
**Head of Faculty**
