Dear Parent/Carer

Parking in Warrender Way

It has become very evident at the start of term that a large number of parents are using Warrender Way as a drop off and pick up point for their sons/daughters. This is a cause for concern for two main reasons.

Firstly, we need to consider our neighbours, who often have cars parked in front of their drives preventing them from accessing or exiting their properties.

Secondly, the amount of cars parking, collecting or dropping off and then attempting to turn around is resulting in too much congestion and preventing the traffic flow along the road. In addition, particularly at the end of school, there are many students exiting the school and their safety is paramount.

Therefore, I request that, in future, all parents use the drop off and pick up point at the roundabout by Highgrove Leisure Centre in the same way that many parents already do. The students can then simply use the alleyway to and from the school.

Yours faithfully

Mr A R Lunnon
