Dear Parent/Carer,

### Rapid Lateral Flow Testing Kits

Further to my letter of 30<sup>th</sup> April, I am writing to confirm that a further supply of seven testing kits will be issued to students in Years 7 – 11 during period 5, tomorrow, Wednesday 5<sup>th</sup> May.

Testing kits will be issued to our Sixth Form students in Years 12 and 13, this afternoon.

For ease, please find below a suggested testing schedule allowing for two tests to be completed each week. We would anticipate issuing a further supply before the May half-term break.

A reminder to remember to report results, whatever the result, to both the NHS and to the school. The links are below and can be found on the school website.

NB: If there is a positive result, you will be asked to get a confirmatory PCR test. The PCR test can override the home testing result. GDPR – The school privacy statement is on the website.	

As the government has started to ease lockdown restrictions, it remains vitally important to continue to follow the rule of 'Hands. Face. Space. Fresh Air.' by:

- washing your **hands** regularly for at least 20 seconds with soap and water or sanitiser
- wearing a **face** covering when required
- making **space** by keeping 2 metres apart from others who aren't in your household
- socialise **outdoors** if you are seeing friends or family.

As we move forward, please be careful and stay safe.

Should you have any questions please email [office@bishopramsey.school](mailto:office@bishopramsey.school)

Yours sincerely
