Dear Parent/Carer

10R Welcome Letter

I am writing to inform you that I will continue being your child's Form Tutor during this academic year.

As expected, I will be delivering Friday's Learning for Life lessons, ensuring that each form period is dedicated to a set schedule which includes signing of Link Books, form prayers, current affairs' discussion and knowledge quizzes amongst other activities and continuing to be a link between parents and the school.

This year the focus for our Year 10 students is to make sure they have a great start to their GCSE courses and to get into good habits so that they stay on top of their work. To this effect we have already given our students a 10 Hour Work Planner. This is so that they can see where they will be able to fit 10 hours of work into their busy weeks. 10 hours a week is our minimum expectation, 15 hours a week would be the upper limit during Year 10. This year we have also introduced a new award for our students to achieve. It is called "The Ramsey Award" and it aims to celebrate all our students' achievements, encompassing attendance, service to the school, extracurricular activities, house points gained and community service. We are hoping that many of our students will rise to the challenge and we can celebrate their fantastic achievements by the end of the year.

Please note that the Learning for Life curriculum for this year will be looking at issues that affect people as they grow up and how to stay healthy.

I am sure your son/daughter is going to enjoy this year at school and I will be making every effort to ensure that they do so.

I look forward to meeting you in the near future.

Yours faithfully

Mr G Bueno
