Headteacher: Mr A J Wilcock MA (Cantab)

26th September 2013

Dear Parent/Carer

GCSE Foundation Mathematics

As you are aware, your son/daughter will be entered for GCSE Foundation Mathematics this November, the examinations being on 4th or 6th November.

Each Tuesday they are working on a past paper, which is finished for homework ready to be handed in on Thursday. This gives guidance on the areas where they have secure knowledge and what they need to work on. They have a full syllabus which they can use to monitor their progress. I am aware a number of them are getting extra support which will complement my lessons and but I would appreciate it if you would allow them to complete the past practice papers on their own and then we can measure their progress. It is extremely helpful for the tutor to go through the paper once it has been marked to highlight the areas of concern.

They will have another 'Walking Talking Mock' on Tuesday 1st October, where we guide them through a past paper, explaining how to tackle the examination. I am also running a session after school on Monday to which all of the students are welcome.

I will keep you up to date on their progress next month and make suggestions about how they can continue to progress towards a 'C' grade.

Thank you for your support.

Yours faithfully

Mrs C Watson
Deputy Headteacher
