Dear Parent/Carer

Year 7 Setting in English

I am writing to inform you of the Year 7 set structure in English this year. In order for students to learn in the most effective way we group them according to their ability with Set 1 being the highest. This occurs in the autumn term and therefore has just been put into place for your son/daughter. The set structure is based on assessments, CATs scores and teacher recommendations.

The set structure for Year 7 in English is as follows, in this order:

- **7A/ENX1** and **7B/ENX1** are the Extension sets. In these sets, students will be following the work at and beyond the level expected for Year 7.
- **7A/ENX2**, **7B/ENX2**, **7A/ENC1** and **7B/ENC1** are the Core sets and will be following the level of work which is expected nationally in Year 7.
- **7A/ENC2** and **7B/ENC2** are the Support groups for those students who need extra help to progress in Year 7.

It is important to note that while students may be in one set, movement **will** occur between the sets throughout the year, based on pupil progression.
