Dear Parent/Carer

**Year 13 Chemistry Revision Packs**

A2 Chemistry is more demanding and challenging than AS Chemistry. Students will need to maintain a solid work ethic of independent study from the outset of this course in order to be successful and achieve well. With this in mind the Chemistry Department are seeking to support and help students in establishing skills of independent learning and exam technique through consolidated exam practice. These are crucial skills in preparing for the summer exams in 2014-2015.

Therefore, the Chemistry Department are pleased to offer your son/daughter the opportunity to purchase Year 13 Chemistry Past Paper revision packs. These packs will be extremely useful in your son/daughter's preparation for their summer exams. Each revision pack includes a number of question papers and mark schemes. The cost of the revision packs are £4.50 for the Unit 1 (F324) pack and £5.50 for the Unit 2 (F325) pack. The packs can be purchased together at a cost of £9.50.

Payment should be made via Parent Pay, selecting the appropriate option.
