Dear Parent/Carer

**Year 8 Setting Test – Religious Education**

The Religious Education Faculty would like to inform you that your child will be sitting an end of year exam in the week beginning 22nd June. This is to assess the progress that your child has made in Religious Education this academic year and will determine their set for Year 9.

The decision as to which set your child will go into will predominately be based on the setting test, but other data that we have within the faculty on your child's performance in Religious Education will also be taken into account.

There will be a re-setting test during Year 9 and students will be constantly tracked to ensure that they are in a class which best suits their abilities and needs.

Prior to the exam, teachers will lead a revision lesson where your child should ask any questions that they have regarding their knowledge and understanding of the topics covered this year.

Should you have any further questions please do not hesitate to contact me.

Many thanks for your continued support.

Yours faithfully

**Ms H Winn**
