

BISHOP

RAMSEY

Church of England School
Headteacher: Mr A J Wilcock MA (Cantab)

10th September 2015

Dear Parent/Carer

Physics Resources

Your son/daughter has chosen to study the A level Physics course at Bishop Ramsey School. We will be teaching the **NEW AQA Physics A** specification which will be taught from 2015 onwards.

As part of the A level Physics course your son/daughter will be required to carry out practical experiments. These will form part of the final assessment of the course called the Practical Endorsement, which will be awarded by the exam board in addition to their A level grade on their results certificate.

The Physics course requires careful records to be kept of the experiments that students have completed in standardised laboratory notebook, which must be purchased from the school at a cost of £6.50 before practical work can be undertaken.

Each student studying A Level Physics will be provided with login details for www.kerboodle.com. This online resource contains an electronic copy of the course text book as well as other revision materials. If students wish to purchase their own copy of the text book then they can do so through the school as a discounted price of £18.75.

These items can be purchased as a package through ParentPay for the combined cost of £25.25. Please select 'Physics Notebook and Textbook 2015-16'. Should you have any concerns with respect to payment, please contact Mrs Hagon on 01895 671002 or alternatively email parentpay@bishopramseyschool.org.

If you have any questions or concerns, please do not hesitate to contact me at school.

Yours faithfully,

Mrs M Davies
Head of Physics
