Dear Parent/Carer

**AS Physics Trip to the CERN, Geneva, Switzerland**  
**Thursday 7<sup>th</sup> July - Saturday 9<sup>th</sup> July from Luton Airport**

Thank you all for making all the payments required. I have great pleasure in attaching the detailed itinerary for the trip.

There are some important details to note:

- Outstanding permission slips (at the end of this letter) must be returned by 13<sup>th</sup> June at the very latest.
- Students will need to make their own way to and from Luton Airport. We will meet by the departures security checks at **5.30am**. Should there be any problems on the day or whilst we are away I will be carrying a school mobile **07583796445**.
- We are taking **hand luggage only** so rules apply on the size of the case. Please see the Easyjet website, which also confirms the amount of liquid that can be taken through airport security.
- The cost already paid includes bed and breakfast, transport and one evening meal out. Students will need **Swiss Francs**. I suggest £100 -150 worth. Geneva is an expensive city but we can visit supermarkets to buy picnic food. Even Swiss chocolate is cheaper in the UK.
- I will arrange a meeting with students to go through the details when they return from their exams.

Students should bring with them any required medication (eg, asthma inhalers, epipens). Mobile phones and any other items of value can be brought but students do so at their own risk.

All students who travel as part of a group, including Sixth Form, represent Bishop Ramsey School. Therefore the highest standards of behaviour and conduct are expected as a matter of course. The school reserves the right to exclude students from a trip if their behaviour does not meet with the standards we expect on a day to day basis in school.

If you have any further questions please do not hesitate to contact me by telephone/email

Yours faithfully

**Mrs M Davies**
