Dear Year 11

A Letter To All Year 11 Students of Bishop Ramsey CofE School

Thank you for making my last few days with you so memorable. I really enjoyed the Prom and all the hard work was made very worthwhile with your contribution to a great evening. Thank you very much for the gifts and cards.

By the time you read this letter you will have almost completed the first two weeks of the GCSE exams. You now get a week's break (half term) but you must not take your foot off the gas. By all means take time to relax and do other things but make sure that you use each day productively and plan what you are going to do and stick to it. This will help you to be prepared and organised for the final few weeks of the exams. It is very easy to feel/think that you have done the hard bit but really you are only at half time and you still have very important exams after the break. Be thorough in your work and plan sensibly what you are doing.

The exams finish on 27th June and for many of you before this. You then have a long summer to relax and enjoy yourselves before embarking on the next stage of your life. Remember that I have often said to you that I want to see lots of smiling faces come results day, 25th August, and the one person you should never let down is yourself. Work hard and you will reap the rewards.

Good luck and best wishes

Mr B Butler
Year Director for Year 11
