

Church of England School
 Headteacher: Mr A J Wilcock MA (Cantab)

23rd November 2017

Dear Parent/Carer,

Year 9, 10 and 11 Discounted Science Revision Guides

Your son/daughter is currently studying for their Science GCSEs and will sit exams for these GCSEs in the summer of 2018 (Year 11), 2019 (Year 10) or 2020 (Year 9). Students are either studying Combined Science or Triple Science.

In order to support your son/daughter in preparing for their exams, we are offering parents the opportunity to purchase revision guides for these courses through the school, at discounted prices. Oxford Press have recently produced revision guides, which currently have a RRP of £7.25 per book for Triple Science or £5.50 per book for Combined Science. We are able to offer each revision guide to students with a 40% discount. Revision guide bundles can be purchased through ParentPay (instructions below). **Year 10 and 11 students have already been offered the chance to buy these revision guides, so only purchase them if your son/daughter does not already have them.** Once the revision guides have arrived in school, students can collect them from the Science prep room.

These revision guides use an accessible and concise approach to recap the essential knowledge that students need to succeed in their courses. Each revision guide includes:

- A checklist at the end of each unit which clearly lists what students need to know and breaks revision down into manageable sections
- Practice questions and study tips that help prepare students for their exams
- Key points feature shows students what they need to know about a topic with key words highlighted
- Mathematical skills that are needed for the exams are highlighted and supported with short, visual explanations.

Depending on the course your son/daughter is studying, the following revision guide bundles are available:

- Students studying **Combined Science** -students can purchase the **combined bundle of 3 revision guides for Biology, Chemistry and Physics. Total of £10.40.**
- Students studying **Triple Science** – students can purchase the **triple bundle of 3 revision guides for Biology, Chemistry and Physics. Total of £13.55.**

Please log onto ParentPay and select either '**Combined Science Bundle – 2017/2018**' or '**Triple Science Bundle – 2017/2018**'. Payment is to be received by Friday 8th December 2017 at the latest.
