Dear Parent/Carer,

Pupil Premium Provision at Bishop Ramsey

Thank you for applying for Pupil Premium status for your son/daughter. The purpose of this letter is to outline what provision the school currently has on offer for your son/daughter.

At Bishop Ramsey we take an individualised approach to all our students including those who are eligible for Pupil Premium. We appreciate that the 'Pupil Premium' incorporates many different types of students from different backgrounds and we seek to put in place personalised intervention to enable all students from a diverse range of backgrounds to reach their potential. However, we have also identified some major 'barriers' to learning which are outlined in our strategy available on the school website. The ultimate decision on how to allocate Pupil Premium funding is with the school and based on our professional judgement, although parental requests and discussions are encouraged.

The standard provision for all students with Pupil Premium status is as follows:

- Access to all curriculum based trips free of charge (this includes enrichment trips as well as residential and overseas trips that relate to their curriculum)
- Access to resources required for revision and study at KS4 and at KS3 where a need is identified
- Provision of small group teaching and one-to-one support where a clear need is identified
- Access to the workshops and other additional sessions where appropriate
- The employment of a Pupil Premium Champion to monitor student progress and work with students are required

If you have any questions about your son/daughters progression or how the school could better support them either now or at any point throughout the school year, please feel free to email me at robinson.312@lqflmail.org.

Yours sincerely,

Miss L Robinson
Pupil Premium Champion
