Dear Parent/Carer,

Year 11 Academic Tutoring Day Tracking Sheet

Your son/daughter's tracking sheet has now been completed and will be available on the Parent Portal from midday on Monday 4th December. It can be found under Subjects, by clicking 'Subjects' on the top menu bar the report should be visible. We have tried to make the process of downloading the tracking sheet as straightforward as possible. There are two icons at the top right of the page; one has a printer icon which you need to click to print the tracking sheet and the other a disc to save the tracking sheet to your computer.

We hope that this tracking sheet gives you a clear picture of your son/daughter's current progress. Your son/daughter's tracking data will be updated again early in the Spring term following the Mock Examinations.

Most grades are in the new format, 9 to 1, with 9 being the highest grade. There are a small number of subjects where the old GCSE grading system still applies and these are still given a A* to G.

The Aspirational Target Grades which are supplied by FFT have been reviewed and revised following the results of the first examinations using the 1 to 9 grading system and may be different from previous tracking sheets. Following consultation with the Parents' Link Group the Target Minimum Grade is also shown. Predicted grades are colour coded against these target grades as follows:

	Aspirational Target Grade and above
	Target Minimum Grade
	Below Target Minimum Grade

If you have any questions regarding the above or any other assessment issues please do not hesitate to contact one of us.

Yours faithfully,

Mr S Foote
