

Church of England School
Headteacher: Mr A J Wilcock MA (Cantab)

1st March 2018

Dear Parent/Carer,

Bright Ideas Challenge 2018

Your son/daughter has volunteered to be part of the Bright Ideas Challenge 2018, an exciting national competition created by Shell. This is a fantastic opportunity for students to work together to tackle a global issue – how can we ensure that cities of the future are powered to be vibrant, healthy and clean places to live?

Students will work in groups to develop their “Bright Idea” to tackle this problem; their idea will be written up and submitted for judging with great prizes available to winning students! If you are willing to allow your son/daughter to take part in the Bright Ideas Challenge 2018 and for us to submit their ideas on their behalf, please complete the slip below and ask your son/daughter to return it to myself or Mrs Vishnoi in the Science Department as soon as possible.

Your support is greatly appreciated. If you have any questions you can contact me at snelson25.312@lgflmail.org.

Yours sincerely

S. Nelson

Miss S Nelson
STEM Co-ordinator
