Dear Parent/Carer,

A Level Economics

We teach Economics at Bishop Ramsey School. We are pleased that your son/daughter has chosen to study A Level Economics this year. We would also like to welcome you, as we believe it is important that we work in partnership to ensure your child enjoys and achieves well in the A Level course. This letter is to give you some basic information regarding Economics to help you stay informed.

Economics is a challenging and very exciting academic subject. It provides many opportunities and learning experiences which allow a multitude of skills to develop. Therefore it is very important that students develop good study habits from the outset of the course which are needed in order to be successful in Economics. It is important that students attend all lessons and also spend at least 5 hours per week in wider study. This may at times include assigned homework or it may be in addition to homework set. The time includes reading newspapers and watching or listening to programmes that relate to Economics eg. Question Time.

We have been offered a revision book at the discounted price of £5.50 (retail price £19.99). We would recommend that your son/daughter obtain a copy of this book to help them revise for tests during the course.

Please pay for this item on ParentPay by selecting '**A Level Economics Revision Book – 2018/2019**'. Should you have any concerns with respect to payment, please contact Mrs Hagon on 01895 671002 or email parentpay@bishopramseyschool.org

If you have any questions or concerns, then please feel free to contact me at school. My email address is dpoole@bishopramsey.school or alternatively you can contact me by phone on the school number.

The Economics staff are looking forward to working productively with you and your son/daughter this year.

Thank you in advance for your support.

Yours faithfully,

Mr D N Poole BEM
