Dear Parent/Carer,

Parent Portal

We are currently experiencing some technical issues with the Parent Portal system, in that the facility allowing you to email teachers via the timetable messaging option, is not currently working.

This means that any emails that have been sent this way since the start of term, may not have reached the member of staff. If you have sent an email and have not yet had a response, please will you resend via office@bishopramseyschool.org marking the subject of the email for the attention of the member of staff concerned.

We are working hard to rectify this as soon as possible and will update the message on the Parent Portal log in screen, once this has been rectified.

Yours faithfully,

Mr D N Poole BEM
Senior Assistant Headteacher
