Dear Parent/Carer,

Homework Timetable - Year 10

Please find attached a copy of the Year 10 recommended homework timetable for the year 2018 – 2019.

All homework will be set using “Show my Homework”, which enables students, staff and parents to see the homework set.

All students should be able to continue to login and access homework as they did last year. However, if they are experiencing difficulty they should contact their Year Director in the first instance. Parents can continue to login to see when homework is set and due. There is a “Show my Homework” logo on the front page of the school website, which you can click on to access the system.

You will already be aware that each student has also been issued with a Planner/Link Book. Please use the weekly pages provided for any comments you may wish make and regularly check and sign the organisation, caution and detention pages. Similarly, I hope that you will take note of any staff comments so that an effective link can be established between home and school and any potential difficulties identified quickly.

The homework set may involve a variety of activities including writing, drawing or research and it is expected that each homework should take approximately 40 minutes to complete. Some tasks may be shorter / longer than others and longer tasks may be set over a number of homework allocations. Homework may not be set on every occasion; the timetable gives an overview.

If there are any questions about homework or any other matters which might affect your son/daughter’s education, please do not hesitate to contact their Form Tutor or Ms Maycock, Year Director of Year 10.

Thank you in anticipation of your support in the progress of your child.

Yours faithfully,

Ms C Wells
Assistant Headteacher
