Dear Parent /Carer,

### Homework Timetable - Year 7

Please find attached a copy of the Year 7 recommended homework timetable for the year 2018 – 2019.

All homework will be set using a system called “Show my Homework”, which enables students, staff and parents to see the homework set.

All students should have received their PIN to enable them to access their homework. However, if they are experiencing difficulty with this they should contact their Year Director in the first instance. Parental login details will also be issued, so you have access to see the homework your child is set and the deadlines. There is a “Show my Homework” logo on the front page of the school website, which you can click on to access the system.

In Year 7 and 8 (KS3) the core subjects of English, Maths, Science and MFL will be setting regular homework; either half an hour twice a week, or a longer task for an hour set across both homework slots. The other subjects will set homework when it is required, but this will be more flexible. In addition to this, each department and/or faculty will be organising trips and other enrichment activities during the year.

You will already be aware that each student has also been issued with a Planner/Link Book. Please use the weekly pages provided for any comments you may wish make and regularly check and sign the organisation, caution and detention pages. Similarly, I hope that you will take note of any staff comments so that an effective link can be established between home and school and any potential difficulties identified quickly.

If there are any questions about homework or any other matters which might affect your son/daughter’s education, please do not hesitate to contact their Form Tutor or Mr Forrest, Year Director of Year 7.

Thank you in anticipation of your support.

Yours faithfully,

**Ms C Wells**
