

Dear Parent/Carer,

We are looking forward to bringing the Illuminate Tour to schools across Hillingdon between 5-7th December. The tour consists of a 45-minute assembly presentation and workshops, which will include live music, video and inspirational personal stories from Mobo Award-winning artists Guvna B. The theme of the presentation is Peacemakers and invites students to explore the topic of peace in our community, peace amongst friends and family and also peace within themselves. We trust the presentation will both inspire and motivate students across the borough.

The presentation is managed locally by the One Hillingdon Youth Workers Network, and overseen across London by Scripture Union and Illuminate two Christian charities.

Illuminate concert at the O2 Indigo: 8th December 2018

As a follow up to the presentation, students have the opportunity to attend a music concert at the O2 Indigo in Greenwich featuring Guvna B and other artists. This will be a fun and enriching cultural experience for any student attending. The event will have a Christian tone and will involve an invitation to explore the Christian faith further.

The event has limited capacity and should you wish your child to attend you can find further information book tickets online. Tickets are £10 + booking.
