Dear Parent/Carer,

Year 11 Autumn Tracking Sheet

Your son/daughter's tracking sheet has now been completed and will be available on Parent Portal on Thursday 29th November. It can be found under Subjects, by clicking 'Subjects' the report should be visible. We have tried to make the process of downloading the report as straightforward as possible. You will see towards the bottom of your screen a printer icon which you need to click to print the report or a disc icon to save the report to your computer.

We hope that this tracking sheet gives you a clear picture of your son/daughter's current progress and your child's tracking data will be updated again early in the Spring term following the Mock Examinations.

The predicted grades in most subjects are given in terms of the new GCSE grading system. A table giving the equivalence of these new grades to the old GCSE grading system can be found at the bottom of the Tracking sheet.

The Aspirational Target Grades which are supplied by FFT have been reviewed and revised following the results of the first examinations using the 1 to 9 grading system and may be different from previous tracking sheets. Following consultation with the Parents' Link Group the Target Minimum Grade is also shown. Predicted grades are colour coded against these target grades.

	Aspirational Target Grade and above
	Target Minimum Grade
	Below Target Minimum Grade

If you have any questions regarding the above or any other assessment issues please do not hesitate to contact one of us.

Yours faithfully,
