

BISHOP

RAMSEY

Church of England School
Head of School: Mrs N J Adamson MA NPQH

14th February 2019

Dear Parent/Carer,

Nuts in School

I am writing to request that, as part of our commitment to keeping students safe and well at Bishop Ramsey, from now on students do not bring any products containing nuts into school, either as ingredients for Food Technology, or for their lunch and snacks.

There are a number of staff and students who have severe nut allergies and they can be seriously affected by someone else who is eating, or may have recently eaten, nuts. Whilst we cannot guarantee a completely nut-free environment, we are doing all we can to restrict the presence of nuts in school, with the intention of minimising the risk to those whose allergies could be life-threatening. We are therefore asking for the help of parents/carers and students in this matter.

Students will also be briefed after half term, so they understand the reasons for the change and are able to act responsibly themselves.

Many thanks in anticipation of your support.

Yours sincerely,

Mrs N Adamson
Head of School
