Dear Parent/Carer,

### Mathematics Software Subscription

The Mathematics Department are pleased to be able to offer your son/daughter the opportunity to have online access to three Mathematics websites.

The online subscription allows students to access the full and most recent version of both websites at home. The websites are Mathswatch, Mymaths and Pinpoint Learning which can be used for homework, independent study for future work and revision in preparation for internal and external exams. The Mathswatch and Mymaths websites cover material ranging from Year 7 support work up to and including the most demanding Level AS work whilst the Pinpoint Learning offers targeted support for the students taking GCSE Mathematics.

There is a cost attached to this service in the form of an annual subscription and we would ask that students make a small contribution to access this service. If your son/daughter would like to be able to use the website for revision, independent study and catching up on missed work, we would ask that a voluntary payment of £3.50 be made via ParentPay by **Friday 5<sup>th</sup> April 2019**. This voluntary payment will enable students to access both websites for 12 months.

Payment should be made via ParentPay and selecting '**Mathematics Subscription – 2018/2019**'. Should you have any concerns with respect to payment, please contact Mrs Hagon on 01895 671002 or email [parentpay@bishopramseyschool.org](mailto:parentpay@bishopramseyschool.org).

If you have any questions about the service or would like any further information please do not hesitate to contact me at [pkelly@bishopramsey.school](mailto:pkelly@bishopramsey.school)

Yours faithfully,
