

BISHOP

RAMSEY

Church of England School
Head of School: Mrs N J Adamson MA NPQH

2nd May 2019

Dear Parents/Carers,

Year 11 Maths Calculators - Exams

I am writing to inform you, that following advances in technology, it is now necessary for us to check students' calculators prior to their exam, to make sure they are compliant and have no additional internet enabling.

Year 11 Maths students' calculators will be checked by their teachers in their lessons on **Thursday 9th and Friday 10th May** and a tamper-evident label will be placed on them to verify that they are cleared for use in the exam. Therefore students need to ensure they have the calculators they intend to use in the GCSE exam with them on these days.

Any absent students will need to see Mr Foote or Mrs Holmes as soon as they return to school to have their calculator checked, verified and labelled.

Students then need to ensure they bring the labelled calculator with them to their exams; the invigilators will be able to see clearly that they are exam-compliant when they check.

Many thanks for your support in this matter. If you have any further queries, please contact Mrs Holmes at holmes@bishopramsey.school or Miss Wells at cwells@bishopramsey.school

Yours faithfully,

Miss C Wells
Assistant Headteacher
