Dear Parent/Carer,

### HPV Vaccination for Girls and Boys in Year 8

The HPV vaccination programme is being offered at Bishop Ramsey School to all Year 8 girls and boys. The vaccination is a two dose course. The first dose will be given in June 2020 followed by the second 6-12 months later. Previously the programme was offered to girls only. This has resulted in tens of thousands of girls being safely vaccinated against the diseases since 2008.

Students will be given a vaccination consent form today. Please complete the form in full and return it to the School Office no later than Friday 27<sup>th</sup> March. Please complete the form even if you chose for your child not to receive the vaccinations. If you know that your child is particularly anxious regarding these vaccinations, please contact us prior to the vaccination date to talk through any concerns or to arrange for you to be present during the vaccinations.

Please ensure that your child has a full breakfast on the morning of the vaccinations and as these will be given in mixed groups, it is advised that girls wear a suitable (light coloured) vest under their school blouse.

If you have any queries, please do not hesitate to contact us on 01895 671088.

Yours sincerely,

**Mrs A James**  
Welfare Officer
