4th June 2020

Dear Parent/Carer,

I am writing with an update regarding our educational provision during what continues to be a very different and challenging time. Thank you to all of you for your ongoing support and for your support of your child's education at home, which we are aware is not always easy.

Following the Government's announcements over the past three weeks, we have been planning to offer some face-to-face sessions on site for Year Ten and Twelve students from the week beginning Monday 15th June. Unfortunately, it also seems clear from those announcements that students in Years Seven to Nine are unlikely to return to school before the Summer holidays. We have therefore been planning our provision for these year groups more broadly, providing training for staff and ensuring that staff have access to appropriate technology, including on site where necessary. We are therefore intending to offer some live online lessons for students in Years Seven to Nine from the week beginning Monday 15th June. These lessons will be delivered via Microsoft Teams, and details will be provided for you next week as well as clear guidelines. Alongside this we will continue to set work remotely. Please do read the letter entitled 'update on remote work setting' from Miss Wells that has been sent alongside this letter.

A reminder too that we will continue to run full time provision on site for vulnerable students and the children of key workers. Please do remember that you can contact the school regarding this provision at any time by emailing office@bishopramseyschool.org

I would like to thank you for your continued support and look forward to providing further details next week.

Yours faithfully

Mrs N Adamson
