Dear Parent/Carer,

Enabling the Camera on Teams – Year 12 and 13

I am writing to inform you that as of Monday 8th February, we will be enabling the camera function on Teams for Sixth Form students only. This means students may be asked to turn their cameras on by teachers, in the expectation that this will improve the quality of discussions and teachers' ability to see the work they are completing 'live', particularly if it involves something visual or diagrammatic in the case of Art and Science.

The students will also be informed and will be asked to join their lessons with their camera on, where they do have a camera. I would ask you please to emphasise to them the importance of setting their background to 'blur' when they join a lesson, to preserve their privacy, and to ensure they are appropriately dressed for online learning.

Yours faithfully,

Miss C Wells
Assistant Headteacher
