Dear Parent/Carer,

**Year 10 – Teenage Booster (Tetanus, Diphtheria and Polio)  
Meningitis ACWYC/MMR Vaccine**

The School nursing team will be visiting us on Monday 27<sup>th</sup> September 2021 to carry out the Year 10 vaccinations.

Please complete the form which your child has been given this week even if you choose for your child not to receive the vaccinations.

If you know that your child is particularly anxious regarding these vaccinations, please contact us prior to the vaccination date to talk through any concerns or to arrange for you to be present during the vaccinations.

Please ensure that your child has a full breakfast on the morning of the vaccinations and, as the vaccinations will be given in mixed groups, it is advised that girls wear a suitable (light coloured) vest under their school shirt.

Due to the large number of students that will be receiving their vaccinations on this day, we may not be able to see every student. If your child is not seen on the day the nurses will return at the next available date to ensure all student receive their vaccinations. Parents will be informed of the new date as soon as it is known.

If you have any queries, please do not hesitate to contact us on 01895 671088, email [medical@bishopramsey.school](mailto:medical@bishopramsey.school)

Yours sincerely,
