

BISHOP

RAMSEY

Church of England School
Executive Head and CEO: Dr Hilary Macaulay

9th September 2021

Dear Parent/Carer,

Year 12 - Laptops

I am writing to let you know that there is a further opportunity to order a laptop device with Freedom Tech, using a payment plan to spread the cost, should you wish to do so.

This is in place, so that as parents of new Year 12 students, you have the opportunity to purchase a device in this way, with a warranty and the cost spread across two years. There is no obligation to do so; many students have a device already and of course, you are free to purchase a new device of your choice from other suppliers, if your child needs one.

The portal for ordering and paying for a Lenovo Winbook 300e, a small laptop with a touchscreen, along with a warranty for three years, is now open. Please log in to see all the pricing options and details available to you. First payments will be taken in October to secure a device for next half term.

Details are as follows:

Website: www.tech4learners.co.uk

Username: BishopR2021

Password: S3cure02!

Portal opens: 10th September

Portal closes: 10th October

First d/debit: 25th October

Laptops arrive in school: November

It is vital all students can learn independently and are able to access remote learning and live lessons if they need to, so please contact lmorrison@bishopramsey.school if you need to borrow a school laptop or do not have WiFi at home.

Yours sincerely,

Miss C Wells
Assistant Headteacher
