

Church of England School
Executive Head and CEO: Dr Hilary Macaulay

16th December 2021

Dear Parent/ Carer,

Year 7 Autumn Report

Your child's Report will be ready to view from 14.00pm on Friday 17th December, by logging into the Arbor Parent Portal <https://bishop-ramsey-cofe.uk.arbor.sc>. Under quick actions please select report card, you will then be able to select the report card and download to either view, save or print.

The tracking sheet includes the new style reporting system for Attitude to Learning (which is no longer colour coded) with a scale from 0-4 where 0 suggests there are causes for concern and 4 being used in exceptional circumstances to indicate outstanding attitudes at all times. Predictions are also provided, which are colour coded against the individual student's year target for their pathway. (see progress colour-coding key below) We are using a system where the student's current progress is used to indicate whether they are currently on track to achieve above, at or below their target. Further details on this are given within the report itself.

	Working above expected level
	Working at expected level
	Working 1 level below expected level
	Working 2 levels below expected level

Please note that due to staff absence, 7R PSHE data has not been completed.

We should like to congratulate students who are doing as well or better than could be expected and ask for your support where we believe that your child could do better.

We hope that this tracking sheet gives you a clear picture of your child's current progress. Your child's tracking data will be updated again in the Spring and Summer terms.

If you have any questions regarding the above or any other assessment issues, please do not hesitate to contact one of us.

Yours faithfully,

Mrs K Lovewell
Assistant Headteacher
